**Subject:** inspection

Katie,

Yesterday you asked if I would like to attend the site visit. I will be unable to attend, however, Chris Swab in HQ is helping me with the glass manufacturing list that is being generated. If the invitation can be extended to him, he thinks it will help us understand the science/emissions. Is this a possibility?

Dave: do you see or know of any reason DEQ/Chris shouldn't attend to observe?

Thank you,

**Jaclyn M. Palermo**
